STORY:

The Bouey Family - Bordeaux winemakers since 1821 - is proud to present "Les Naturistes", an eco-responsible wine produced with the utmost respect for biodiversity and the values surrounding durable development.

The wine is certified organic. With its recycled and refined glass, with its label produced from cane sugar fibres, and with its cork coming exclusively from sustainable forests, is made to be recycled once it has been enjoyed. The future of our planet is being written today, one bottle at a time.

GRAPE VARIETIES:

Merlot, Cabernet Sauvignon

WINEMAKING:

Grapes harvested at optimal ripeness. Combination of an organic agriculture and traditional and modern winemaking techniques. Wine is raised in vats to preserve the fruit. As a No added Sulfites, it requires special care and surveillance during all the winemaking process

ABV: 12%

TASTING NOTE:

Rose pale and brilliant robe. Les Naturistes rosé 2020 shows a refreshing bouquet full of fruity aromas (vine peach and strawberry). A perfect balanced between freshness, acidity and sweetness.

PAIRING:

Perfect for aperitif with chickpeas or beethoumous, eggplant caviar. Also ideal with avocado toast or an pistachio/raspberry pie.
